Experiences:

1. Over 10 years as a translator (English to Assamese and vice versa).
2. Worked for TCS, IL&SF, Assam Disaster Management, Amazon, SchoolnetIndia, Reliance, Samsung etc.

Other

I have been working on a Bilingual Dictionary Project (Assamese – English and vice versa) for last ten years.

Under this project I have developed bilingual dictionary apps for both PC and Mobile, which are the most popular dictionary apps in this language combination.

Here are two links for example:

<https://play.google.com/store/apps/details?id=com.assamesedictionary>.

<https://play.google.com/store/apps/details?id=com.assamesedictionary.trial>

The URL of our website is www.assamesedictionary.com

Due to a great passion for language research and language technology, I am always up to date with new trends coming to my language.

Hope my knowledge and experience in this field will help you.
