Elevator engeneer at Dsolution Ascenseur :

- installation and maintenance of elevators (all kinds included)

Linguistic Skills

The Arabic Language :

I am a native speaker with a good understanding of all different arabic dialects

The french Language :

My level in the french language is « fluent », and that is because :

- Studied french as a second language from primary school up to high school
- My university studies and my thesis were both in french
- Used french in day-to-day life

The english Language :

my level in the english language is « fluent », and that is because :

- Studied english for 3 years in a private school from the year 2011 to 2014
- Used english to do research for my studies at the university
- Perfected my english on my own, using social media, movies, blogs ...

Hobbies

- Martial Arts
